EDUCATION

EINSTEIN COLLEGE OF ENGINEERING
BE - COMPUTER SCIENCE AND ENGINEERING | 2020 - 2024
Tirunelveli,Tamilnadu
CGPA : 8.58 (till 5th semester)

TPS GOVT BOYS HR SEC SCHOOL
HSC **88.5%** | 2019 - 2020

TPS GOVT BOYS HR SEC SCHOOL
SSLC **93.8%** | 2017-2018

CERTIFICATES

- Completed C,C++,Java,Python courses by Code Galatta - link
- Completed Problem Solving, SQL, Java courses on Hackerrank - link
- Completed Machine Learning courses by Infosys Springboard - link
- Completed IBM Cloud courses by IBM - link

TECHNICAL SKILLS

Core Java | Python | C / C++ | HTML5 | CSS3
JavaScript | JQuery | Bootstrap | ReactJS | MySQL

PROJECTS

AI Enabled Car Parking website using OpenCV

- Developed an Web application using **Flask**, leveraging computer vision algorithms for real-time vehicle detection and parking space availability using **OpenCV**
- It enables users to visualize and interact with parking system, including displaying real-time parking space occupancy

WhatsApp Clone using ReactJS

- Developed a Whatsapp Clone using **ReactJs** and **Firebase,** closely mimicking functionality and UI of original application.
- Integrated **Firebase's** authentication and database services to enable secure user registration, login, and real-time messaging functionality

AI Medical Consultant

- Developed an desktop application with **speech recognition** and **AI** techniques to provide personalized medical advice and recommendation based on user-spoken symptoms using **Python**
- It process transcribed symptoms, apply medical knowledge and generate medical advice report ,send to the user registered **Email**

Food Ordering Website

- Developed an website using **HTML** ,**CSS** and **JS**, integrated with the **Edamam Food API** for providing personalized food recommendations, a user-friendly interface and seamless ordering experience.

ACHIEVEMENTS

- Solved **550+** problems in various coding platforms such as Leetcode , GeeksforGeeks , CodeStudio etc
- **5 star** rank in HackerRank problem solving and get certificates and secured **2 star** rating in CodeChef platform
- **2nd** prize in **Code Debugging** in national level technical symposium conducted by Rohini College of Engineering & Technology,Kanyakumari.
- Secured **1st** prize in **Java**,**C Problem Solving** in Einstein College of Engineering,Tirunelveli.
